REFERENCE(S) EGPW 8593, 7 April 1959

1. In processing the request for the extension of Project ARMARSH, retroactive to 1 March 1959 and through 31 August 1959, some questions arose, principally concerning the status of ARMARSH/15 and financial payments to him. Since it has been mutually agreed that ARMARSH/15 will henceforth be an asset of the ☐ Station, it has been decided that payments to him should be charged to Project ARMARSH funds through 30 June at which time spot payments will be made to him by Stockholm and charged to OOA funds allocated to that Station. It is anticipated that a field project outline will be prepared to cover his activities subsequent to 31 August.

2. It became necessary to revise our request to obligate \$7,000.00 as was stated in paragraph 1 of the reference. We have now asked for authority to obligate \$4,800.00 to cover the financial aspects of the request for extension: \$3,000.00 for the fiscal year 1959 and \$1,800.00 for the fiscal year 1960.

3. We will appreciate your comments and suggestions concerning the termination of Project ARMARSH as was requested in paragraph 4 of the reference.
